

Extended Letter for AHYMSIN Family Yoga Summer Camp, Greece 2026

Dear sisters and brothers,

This is a heartfelt invitation to join us for a week of joyful living at the Ahymsin Family Yoga Summer Camp 2026!!!

An international group of kalyana mitras are now organizing the **4th AHYMSIN Family Yoga Summer Camp (FYSC) in Greece**- a gathering of yoga-minded families in a climate of sun, beach, yoga and Joyful Living.

When: Tuesday, August 4 – Wednesday, August 12, 2026

Where: SCOUT CENTER AGIOS ANDREAS, 27, Poseidonos Avenue, Nea Makri, Municipality of Marathon, Attica, Greece.

Our Intention: To create a space in Europe where families can experience *community life through the practical application of "Love, Serve, Remember"* as taught in the Himalayan Tradition and as practiced at the SRSG Ashram with which we are deeply connected.

We will live a week together in a scout center, in small houses or tents, practicing yoga for all ages in a forested area of 40.000 square meters, swimming to the close seaside, and having a space for discussions about family and spirituality, creativity, and handcrafts workshops. We are also planning a one-day sightseeing visit. Three vegetarian/ Mediterranean meals a day are catered so that we can use our time for maximum play and be together.

Information about the Camp facilities

The camp will take place in a scouts' forested center. It is located approximately 30 minutes from the Athens airport. The rooms and conditions are simple. Participants can choose between sleeping in bedrooms or their own tents. There are 2 and 3-bed non-smoking bedrooms with bathrooms, hot water, and A/C for 100 people. There is also space for 90 people who prefer to bring their own tents (no camping cars are allowed). Participants in tents have also access to toilets and hot water showers, as well as two open-air kitchenettes and dining areas.

The camp has several shady areas for yoga and other activities. The scout camp has peripheral security with cameras, and the entrance doors close at night. Pets are not allowed in the camp.

Beach and swimming

There is a beach 5-minute walk from the camp, which is sandy and clean, to use every day.
